Linda,

It looks like this collection is frozen and I can't do no edits to it once it's frozen. I believe you can contact Dave Christenson and he might be able to unfreeze it and add the document.

Thanks,

SDMS # 1925238 is the responsiveness summary.

Dave and Bill, can you add it to the collection so that it will publish on the website?

Thanks,

Linda

Here is the now unpublished public notice that we posted in February if that helps.

Have you added the responsiveness summary to the 2019 OU1 Deletion Partial Deletion Documents collection?

If you want to say a few words on the website, I can do that and link to the FR notice. I don't know anything about the docket or responsiveness summary—are they on regulations.gov? The FR notice usually links to that.

Hi all. Linda, do you and Bill Cooper usually take care of getting this announcement and a link to the Fed. Reg. Notice and docket and Responsiveness summary once it's published? Or do I do something? I can't remember how we've done this before. Thanks,
